TOWN MEETING MARCH 9TH, 1971

The meeting was called to order at 1:30 P.M. by Moderator Ralph B. Bemis. The Warrant was read and Polls opened under Article 1. To choose all necessary Town Officers for the ensuing year by Australian Ballot.

Ballot Clerks: Jennie Main, Rita Rathburn, Arthur Wikman and Katherine Upton.

The School Meeting was called to order at 6:15 P.M. At the close of the School Meeting the Town Meeting was called to order at 7:05 P.M. Prayer by Rev. Mary Upton.

Continuing under Article 1. Ralph Bemis was elected Trustee of Trust Funds for 3 years.

Fire Wards: Roland Knight, Gordon Getty, Sr., David Schmitt, Justin Chamberlain, William Bemis, Alton Chamberlain.

Surveyors of Wood and Lumber: J. Edward Mattila and William House.

Fence Viewers: John N. Clark and Ralph B. Bemis.

Art. 2. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money on the credit of the Town in anticipation of taxes.

A motion to accept as printed passed.

Art. 3. To see if the Town will vote to accept Two Hundred Fifty Dollars (1250.00) received from Nancy Hilton for the care of a cemetery lot.

A motion to accept as printed passed.

Art. 4. To see if the Town will vote to raise and appropriate the sum of \$371.00 in support of the operating cost of the Elliot Community Hospital for the year 1971.

A motion to accept as printed passed.

Art. 5. To see if the Town will establish a Town Conservation Commission as set forth in RSA 36A and that the Selectmen appoint said Commission within thirty days from the date of the Annual Town Meeting and that a temporary Chairman be appointed to call the first meeting of the Commission.

A motion to establish said committee passed.

Committee: Lawrence Evans, 1 year, A. Robert Saari, 1 year, Mary Meath, 2 years, Charlotte Chamberlain, 2 years, Roger Packard, 3 years, Lawrence W. Rathburn, 3 years, Temporary Chairman.

Art. 6. To see if the Town will vote to raise and appropriate the sum of \$544.00 under the Omnibus Crime Bill, to allow the Harrisville Police Department communications compatible with statewide law enforcement radio communications with grant funds of \$1,632.00 from the Federal Government.

A motion to accept as printed passed. Comments by Leo Dion.

Art. 7. To see if the Town will accept by gift from the Water Resources Board of the State of New Hampshire a tract of land containing approximately 30 acres, situated on the south side of Seaver Pond in Harrisville, formerly owned by the Public Service Company of New Hampshire, to be used by said town for park or recreational purposes only.

A motion to accept as printed passed.

Art. 8. To see if the Town will vote and raise and appropriate the sum of One Hundred Seventy-five Dollars (\$175.00) in support of the operating expenses of the Monadnock Family and Mental Health Service.

A motion to accept as printed passed.

Art. 9. To see if the Town will vote to raise and appropriate the sum of \$389.00 to support the services of the Monadnock Community Visiting Nurse Association, Inc. This local request for financial support is based on a 70¢ per capita formula.

A motion to accept as printed passed. Comments by Jane Dunn.

Art. 10. To see if the Town will vote to authorize and empower the Planning Board to approve or disapprove in its discretion new subdivisions and plots thereof showing streets or the widening thereof, or parks, and upon the adoption of this article, it shall be the duty of the Town Clerk to file with the Registry of Deeds of the County of Cheshire, a certificate or note showing that the said Planning Board has been so authorized, giving the date of authorization as provided in Section 19 and Sections 19-29 inclusive, Chapter 36 of the N.H. Revised Statutes Annotated, 1955. If this article is adopted, it shall further be the duty of the Town Clerk to issue all Certificates of Failure when the Planning Board shall fail to take action as provided in Chapter 36, Sections 19-20-29 inclusive.

A motion to accept as printed passed. Comments by William House.

Art. 11. To see if the Town will vote to raise and appropriate \$386.00 for the Monadnock Region Association to continue its efforts in areas of solid waste disposal, planning, pesticides, legislation, state parks, youth work and by other means call at-

tention to the protection of the natural resources of the Town, plus its other advantages, along with the other thirty-seven towns in the Monadnock Region

A motion to accept as printed passed.

Art. 12. To see what sum the Town will vote to raise and appropriate to service as matching funds from the Civil Defense, to purchase a fire alarm system.

A motion to raise \$1,500.00 to purchase a new Fire Alarm system for the Harrisville Fire Station passed.

Art. 13. To see if the Town will vote to become a member of the Regional Planning Commission, now organized and named the Ashuelot Valley Regional Planning Commission. This Commission will have membership of at least two municipalities and will have jurisdiction over the planning region delineated by the Office of State Planning. The objective of the Commission will be to plan for and encourage regional planning analysis, provide consensus on major problems of regional concern and to assist in the effectuation of projects within, and which extend beyond, the boundaries of a particular town.

The commission will have only the authority conferred on it by Chapter 36:45-53, Revised Statutes Annotated, 1955, and will be an advisory commission to local governments in the region. Members of the Commission shall be appointed by the Selectmen in accordance with State Law. Two representatives will be appointed from Harrisville.

After considerable discussion, a motion to join the Ashuelot Valley Regional Planning Commission passed.

Art. 14. To see if the Town will vote to appropriate the sum of \$341.62 as the Town's share for the studies and operation of the Ashuelot Valley Regional Commission. These funds will be used for financing the staff, operation expenses, planning studies, technical assistance and other programs of the Commission. These funds may be used in conjunction with other State and Federal funds available for planning purposes.

A motion to appropriate \$341.62 passed.

Art. 15. To determine and appoint the salaries of Town Officers and fix the compensation of any other agents of the Town.

A motion to have the Selectmen review the salary of the Tax Collector passed.

Art. 16. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

A motion to accept the budget as printed passed.

Art. 17. To hear the reports of agents, committees or officers chosen and pass any vote relating thereto.

The moderator called attention to the various reports of agents, committees of officers chosen as printed in the Town Report.

A motion to accept as printed passed.

Art. 18. To transact any other business that may legally come before this meeting.

A motion that the Town Clerk be instructed to record a vote of thanks to the Centennial Committee and all the workers in connection with Centennial of Harrisville passed unanimously.

Harrisville Beach Committee: Mary Gilman, Jacqueline Getty, Warren Thayer, Lawrence Rathburn, Sandra Coburn.

Chesham Beach Committee: Robert Lake, Roy Williams.

A motion to close the polls came at 8:25 P.M.

The ballots were counted with the following results:

	Selectman for 3 years	
Edwin T. Heald	had 93 votes	declared elected
Foster A. Wilder	had 58 votes

Beano: Yes 87 — No 43

The motion to adjourn came at 9:15 P.M.

Respectfully submitted,
 Edwin T. Heald
 Town Clerk

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

Polls to open at 1:30 p.m., close at 7:00 p.m.

To the Inhabitants of the Town of Harrisville in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Wells Memorial School in Harrisville on Tuesday, the Seventh day of March, next at seven of the clock in the afternoon, to act upon the following subjects:

Art. 1. To choose all necessary Town Officers for the year ensuing.

Art. 2. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Art. 3. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow money on the credit of the Town in anticipation of taxes.

Art. 4. To see if the Town will vote to raise and appropriate the sum of \$335.00 in support of the operating cost of the Elliot Community Hospital for the year 1972.

Art. 5. To see if the Town will vote to raise and appropriate \$386.00 for the Monadnock Region Association to continue its efforts in areas of solid waste disposal, planning, ambulance service, legislation, state parks, youth work and by other means call attention to the protection of the natural resources of the town, plus its other advantages, along with the other thirty-seven towns in the Monadnock Region.

Art. 6. To see if the Town will vote to raise and appropriate the sum of Six Thousand Five Hundred Dollars (\$6,500.00) for a complete revaluation of all taxable property in the Township of Harrisville, N.H., this revaluation to be carried out by the State Tax Commission of New Hampshire.

Art. 7. To see if the Town will vote to accept a lease from the State of New Hampshire Water Resources Board and pay the sum of One Dollar (\$1.00) per year on a tract of land containing ap-

proximately 30 acres, situated on the south side of Seaver Pond in Harrisville, formerly owned by the Public Service Company of New Hampshire, said land to be under the supervision of the Harrisville Conservation Commission for recreational purposes.

Art. 8. To see if the Town will vote to raise and appropriate the sum of \$100.00 to support the continuing service of the Harrisville Town Conservation Commission.

Art. 9. To see if the Town will vote to request the State of New Hampshire Water Resources Board to lease at the rate of One Dollar (\$1.00) per year land which the state owns on the north east corner of Childs Bog including land now used for a boat landing for purposes similar to that of the Seaver Pond land and under the supervision of the Harrisville Conservation Commission.

Art. 10. To see if the Town will vote to pass an article to have a permanent restraining order on all dogs in the Town of Harrisville., (By request)

Art. 11. To see if the Town will vote to raise and appropriate the sum of \$377.40 as the Town's share for the studies and operation of the Southwestern New Hampshire Regional Planning Commission.

These funds will be used for financing the staff, operation expenses, planning studies, technical assistance and other programs of the Commission. These funds may be used in conjunction with other State and Federal Funds available for planning purposes.

Art.12. To see if the Town will vote to raise and appropriate the sum of \$334.00 to support the service of the Monadnock Community Visiting Nurse Association, Inc. This local request for financial support is based on a 60¢ per capita formula.

Art. 13. To see if the Town will vote to raise and appropriate the sum of One Hundred Seventy-five Dollars (\$175.00) in support of operating expenses of the Monadnock Family and Mental Health Service.

Art. 14. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Dollars (\$700.00) to improve and hard surface that portion of the Eastside Road at Silver Lake starting at the State Road and ending at the Tennis Court.

Art. 15. To see if the Town will vote to raise and appropriate the sum of \$673.61 if the State will contribute \$4,490.71 of T.R.A. Funds.

Art. 16. To see if the Town will vote to raise and appropriate the funds necessary to purchase a new truck for the highway department. To further authorize the Selectmen to withdraw funds from the Capital Reserve Fund and to borrow the balance by the issuance of a series of notes and to determine the date and place of payment and rate of interest thereon.

Art. 17. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to serve as matching funds received from the Ford Foundation and U.S. Soil Conservation Service, Funds to be used for a soil survey as recommended by the Town Conservation Commission.

Art. 18. To see if the Town will vote to raise and appropriate the sum of \$100.00 towards the support of the services of the Monadnock Region Humane Society.

Art. 19. To set if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2000.00) to be placed in a Sinking Fund for the replacement of Fire Trucks under the provisions of the Capital Reserve Act of 1943 Chapter 160 as amended.

Art. 20. To take the sense of the qualified voters whether the amendments of the Constitution proposed by the 1971 session of the General Court shall be approved.

Art. 21. To hear the reports of agents, committees or officers chosen and pass any vote relating thereto.

Art. 22. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 18th day of February, in the year of our Lord, nineteen Hundred and seventy two.

Edwin T. Heald
Lawrence W. Rathburn
William F. Bemis
Selectmen of Harrisville

A true Copy of Warrent— Attest:

LIBRARIAN'S REPORT

Another year — another report of the happenings in the Harrisville Public Library.

The exterior of the Library has regained its natural appearance after all the digging, refilling, and more of the same which was necessary for the placing of the holding tank, to complete the sewage situation. This project was made possible by the generous gift from the Putnam Foundation, which we were so fortunate to receive. This same gift has also helped to take care of other necessary expenses thus adding no extra burden to the Town. We feel most grateful to be the recipients of this gift and the others that have come our way. They are the means by which we are able to do the many extras that are always needed.

On entering the Library no changes are immediately noticed. One very helpful addition was made by the addition of matching bookcases which butt on to the bookcases in the children's section. Here, we have placed all the Encyclopedias and large reference books for easier access to the patron. This also provides for a large area for the display of new books and also wall space for the books which are being added constantly. For this worthwhile project, we owe thanks to Bill House again.

Our local Artists have been so thoughtful in keeping our displays of paintings rotating and Special for various occasions. One painting to add to our treasures, was given to us by Mrs. Henrietta Mann and will be there at all times.

The many changes in the town during the past year were also felt in the Library, making a difference in the circulation. The closing of The Thomas More School made some of the change for we see fewer family groups with ardent readers coming in. They are missed but we still have hopes of seeing others take their places. New faces, which are now familiar ones have appeared. Each week they grow more familiar and we are happy to see them. All the outside publicity that hit the town brought in many visitors as the Guest Book can testify. All were interested and impressed that the town is as pictured and the "trap door" got more attention than we would feel it called for. All the remarks were good to hear and made us feel very proud of many things we have taken for granted.

Adult circulation for the year was 2,674 and for the children, 2,741, with the magazine circulation at 307. Although there was a drop, we still show a good percentage per capita. The Bookmobile left 949 books on three visits, instead of the usual four; 58 Special requests came from the State Library. Peterborough, our service center was called on and furnished 11 books, while Keene Public Library, through Inter-Library loan supplied more than 100 mysteries, plus a number of special books, magazines and pamphlets for needed materials. The mysteries are picked

up periodically by your Librarian. A special vote of thanks should go to this helpful library. The purchase of 78 adult and 53 children's books was made. By joining 2 Adult and 2 children's Bookclubs, many current books were available. We received from generous friends 66 Adult books — Some new — and 28 books for children. The fine money paid for five books. As usual, the \$100 State Grant was spent for Reference materials. As in the past Patrons faithfully donated magazines, which are a big help to us. We have a great variety and current supply at all times. For Patrons' convenience and tastes, subscriptions to Profiles, Hobbies and National Geographic were felt to be necessary. A yearly subscription to American Heritage was received from an interested friend of the Library.

An interesting Reading time was introduced in the Spring for Grades 3 & 4. Dr. Richard E. Eustis of Hancock, a former summer resident, offered to do the reading of "The Trumpet of the Swan" by E. B. White. The school co-operated by having the children come on the earlier bus and making arrangements for the children's safe return to their homes. The combination of a Splendid reader, a most entertaining story and a lunch donated by a kind Trustee, surely left little to be desired. Plans are underway for a similar program for a different group with the continuation of the taping, as in the first story. The usual summer story hour was also carried on for a six week period.

The Anniversary Dedication Tea for all the Ladies in the Town was a huge success. Special Art displays, a beautiful Crewel piece of the local area and a Beatrix Potter exhibit added to the occasion. Refreshments were served by the members of the Building Committee.

As to the Librarian's special activities, 3 DAC meetings and 6 Book Meetings were attended. A ten week course on Book Purchasing, a necessary part of Library work, was also attended.

My special thanks to all who have helped in any way to carry on my work. Always feel free to help.

Respectfully submitted,

Louise B. Bergeron,

Librarian

REPORT OF THE ROAD AGENT

The winter started off with the usual amount of snow and ice storms. In the spring, ditches and culverts were cleaned of leaves and debris. A total of 57½ tons of asphalt was used on all the roads in Chesham, this was long overdue on some of the roads. Replacement and painting of the fence posts on the East-view Road was also done.

The Highway Department helped Mr. Oja with the new wall at the Willard Hill Cemetery. An underdrain and underground cable were installed at Wells Memorial School. The driveway was also patched. All of this work was requested and paid for by the school district.

In July, the town of Nelson began dumping its refuse in the Harrisville town dump. This put an extra work-load on the Caretaker at the dump, Mr. Africano. I feel that the townspeople should appreciate the fine work and time he spent.

Thayer Hill was widened and graveled, which makes it easier to plow in the winter. The Highway Department used a total of 4,302 yards of gravel and 648 yards of sand for the year of 1971.

In order to pass inspection, two front fenders were replaced on the Mack Truck, plus the valves were ground in the motor. The head gasket and the valves were ground in the six-year old loader to keep it in running condition.

Well tile and plastic pipe at the spring, located on the Skatutakee Road, were installed to bring the spring water up to the state health standards by order of the town health officer.

I wish to thank the selectmen for their co-operation this past Year

Respectfully submitted,

Wesley R. Tarr Sr.

Road Agent

POLICE DEPARTMENT REPORT

During the year 1971 your Police Department has attended in service training, sponsored by the Sheriffs Department and the F.B.I. We have had complaints on dogs, one of the major problems. Other calls on Larceny, Breaking and entering, and investigation of accidents. We have answered various calls on the alarm system. I wish to bring to your attention Motor Vehicle accidents should be reported and investigated immediately.

The State laws require all agencies to file a report within 5 days. I wish to thank the Sheriff and his Department for their assistance.

Respectfully submitted,

Leon P. Dion

Chief of Police

REPORT OF FIRE DEPARTMENT

The Harrisville-Chesham Fire Dept. had a relatively good year after the troublesome 1970. A total of 21 calls were answered in 1971.

- 1—Building fire
- 1—Electrical
- 3—Car fires
- 1—Chimney fire
- 3—Fires at town Dump
- 4—Fires at Nelson town Dump
- 3—Resucitator calls
- 2—Fires in neighboring towns
- 1—Cover for neighboring towns
- 2—False Alarms

The men in the department have been working hard and are now ready for use of the 1,000 gal. tanker with a 500 gal. pump. The air horns have been installed on the Harrisville station and will be in operation very soon.

Once again the Ladies have helped the department with finances gained from their efforts and also with coffee and sandwiches during fires.

Again this year we added 2 monitor receivers allowing our members to know the location of fires without going to the station, it is hoped that every member may sometime have a monitor.

I wish to thank the Selectmen, the Firewards, the men in the department for helping to make this a fire department the Town should be proud of.

Respectfully Submitted,

Alton A. Chamberlain

Chief

REPORT OF THE FOREST FIRE WARDEN AND AND DISTRICT CHIEF

Lest We Forget — It Can Happen Here

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellarholes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fires at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand — a lighted match or a glowing cigarette.

2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.

3. If you camp or picnic, be sure open fires are allowed and if they are, put them *dead out* when leaving.

4. *Most important* — instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year — 1971 was a favorable year for the control of fires. There were too many starts in some towns. We thank those who remembered to ask others to heed Smokey's message.

Number of fires reported and acres burned:

STATE	463 fires	160 acres
DISTRICT	41 fires	12 acres
TOWN	0 fires	0 acres

Robert Burns
District Chief

Alton A. Chamberlain
Forest Fire Warden

MARL-HARRIS FIRST AID AND EMERGENCY SQUAD, INC.

Your ambulance responded to Forty-three (43) calls during the period January 1, 1971 to December 31, 1971; these included four (4) trips to the hospitals in Hanover, Peterborough, Concord and Leominster, Massachusetts. Two (2) calls to nursing homes, Five (5) fire standbys, the Memorial Day Parades, a demonstration of equipment for the Ski Patrol, the Elliot Community Hospital Disaster Drill. A demonstration of equipment to the Marlboro Grange. Twenty (20) patients were taken to Elliot Community Hospital and Six (6) from the hospital to home, and Three (3) back up trips for the Foley Ambulance Service.

The money this year came from the following sources: The annual appeal letter, memorial gifts, in lieu of flowers, donations from those that used the ambulance, gifts from organizations and the sizeable sum received from the townspeople of Harrisville in response to a community effort.

The ambulance, its equipment and the personnel that operate the ambulance have met all the new federal and state requirements and will remain in service as long as the support continues.

We wish to take this time to thank everyone that has contributed in any way to help us keep the ambulance service in operation; and a special thanks to the Monadnock Lions Club for its part in paying the tuition for "Emergency Medical Technician Ambulance" course which twenty (20) members of the squad are enrolled. This is a nationally recognized course for ambulance personnel.

The ambulance is in service from 6:00 P.M. to 6:00 A.M. on weekdays. Twenty-four (24) hours service on weekends and holidays. We have a definite need for personnel during the day time hours. For information contact any squad member.

The number to call for the ambulance is 352-1100 and specify Marl-Harris.

Respectfully submitted,

The Officers, Directors and
Squad Members of the Marl-
Harris First Aid and Emer-
gency Squad, Inc.

CONSERVATION COMMISSION

In compliance with the State of New Hampshire RSA 36A namely, that towns establish individual Conservation Commissions, Harrisville enacted such a group at the Town Meeting on March 9, 1971.

The Commission received a grant of \$75 from the Spaulding Porter Trust Fund. Expenses were \$20 for membership in the Association of the New Hampshire Conservation Commission.

So many needs in the area of conservation became almost immediately apparent that the Commission members agreed that their first move must be to study, research and discuss all possibilities. These included an alliance of problems and projects involving, among others, water resources, recreation areas, protection and enhancing of scenic beauty spots, future Town Dump arrangements involving recycling of waste material, specifying names of roads.

Considerable attention has been given to the creation of a tax map. By State Law 426:1 this will be mandatory to be in effect by January 1, 1980.

Due to limited funds production and distribution of communications has been limited. This situation urgently needs correction for the coming year. The Commission has invited all residents to make known their thoughts, suggestions, ideas and to lend their individual services to this vital area. Every resident of Harrisville is affected. Several citizens have joined the Commission in sub-committee capacity and are working directly with the Commission. The Commission members wish to thank all who have shown their interest.

Respectfully submitted,

Allen R. Saari — Chairman
Charlotte Chamberlain
Eleanor Collier
Mary Meath
Roger T. Packard
Lawrance W. Rathbun

MONADNOCK FAMILY AND MENTAL HEALTH SERVICE

During the 12 month period from October 1, 1970, through September 30, 1971, 8 families were referred to Monadnock Family and Mental Health Service from the Harrisville area.

Service provided involved 11 adults and included individual, marital, and group therapy. More than 33 direct treatment hours provided by professional staff were involved in this treatment, exclusive of consultation services and services of a general community nature.

Estimated cost of services provided to Harrisville residents exceeds \$660.

Families receiving services paid total of \$20 in fees based on ability to pay.

During this year, voluntary contributions totaled \$75.50. An allocation of \$175 was voted at Harrisville's annual town meeting in 1971.

This combined total of \$250.50 together with the Community Mental Health grant from the State of New Hampshire, provided the total increase necessary for the provision of services to Harrisville residents.

City and town governmental aid, along with voluntary contributions, State aid, and fees based on ability to pay, provide the support for the \$125,000 budget necessary to make these services available.

In 1972, the Agency received \$60,000 as a State grant for Mental Health services. This was made possible through the provision of local matching funds in the form of city and town allocations and voluntary contributions. Continuing local contributions as a matching requirement are a prerequisite for increased State aid for our services.

Monadnock Family and Mental Health Service

REPORT FROM HISTORIC HARRISVILLE, INC.

Historic Harrisville, Inc. was formed last year after the closing of the Cheshire Mills because several individuals from the area as well as groups like the National Trust for Historic Preservation thought that a local non-profit foundation could be helpful in attracting ideas and money for the preservation of buildings and open lands in the town.

Historic Harrisville has accomplished a great deal in the past ten months. It has coordinated the wide interest in Harrisville as an historic site; raised money for planning; protected some of the buildings in town with Historic Preservation Covenants; purchased six buildings which have an important place in the appearance and history of the town; and helped bring new activities and business interests to Harrisville.

There is a lot left to do. Historic Harrisville will have to raise a substantial amount of money, especially to rehabilitate the building it has purchased. Perhaps most important, the foundation hopes to help shape Harrisville's long term future by planning for and contributing to the preservation and revitalization of the town. This means supporting the efforts of the various town bodies and commissions which, by a recent change in the foundations by-laws, are each represented on Historic Harrisville's Board of Trustees.

REPORT OF THE HARRISVILLE PLANNING BOARD

The Board was authorized by vote of the Town March 10, 1971 to draw up and adopt rules and regulations to control the subdivision of land within the Town. Most of the work of the Board this past year was devoted to this along with consideration of several voluntary applications for approval prior to the date when they were legally required. With the help of Richard Bourke, planner for the South-western New Hampshire Regional Planning Commission a number of drafts were prepared based on the State's model suggested rules and a final set was presented at a public hearing October 19, 1971 after which they were voted as adopted by the Board. Due to a delay in getting copies prepared for recording by the Register of deeds the date on which it became legally binding to have Board approval of subdivisions was December 1, 1971.

Copies are available from the Selectmen or from the Board. The intent of these rules was to provide for the best interests of the Town as a whole as well as of the subdividers and purchasers of subdivisions especially with regard to new street layouts and accessibility of interior lots.

There is provision for a preliminary layout application to be submitted to the Board by the subdivider. We feel that much time and effort will be saved if those subdividing land first become familiar with the regulations and then before investing in detailed plans surveys meet with the Board for consideration of this preliminary layout. We will cooperate with all land owners making application and wish to do everything to help them develop good workable plans with a minimum of red tape.

In the year ahead, in addition to servicing applications for subdivisions we plan to review the existing zoning ordinances to see if any changes should be proposed at the next town meeting. We will welcome suggestions from both residents and nonresidents on any planning matters which they feel will be of help to the Town.

STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the School District in the Town of Harrisville qualified to vote in District affairs:

You are hereby notified to meet at the Wells Memorial School in said District on the 7th day of March, 1972, at 1:30 o'clock in the afternoon to bring in your votes for the election of the school district officers. The polls will be open not later than 1:30 p.m., nor close earlier than the time of closing the polls for the election of town officials.

Article 1. To choose all necessary school district officers: A moderator for the ensuing year. A clerk for the ensuing year. A member of the school board for the ensuing three years. A treasurer from July 1, 1972 for the ensuing year. A treasurer from July 1, 1972 for the ensuing year. An auditor for the ensuing year.

You are hereby further notified to meet at the Wells Memorial School in said District on March 7, 1972, at 6:00 p.m. to act upon the following subjects:

Article 2. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

Article 3. To see if the District will vote to authorize the school board to enter into tuition contracts for the school year 1972-1973 with the Union School District of Keene at a rate not to exceed Nine Hundred Seventy-Six Dollars (\$976.00) per pupil for junior high instruction, or with other approved junior high schools.

Article 4. To see if the District will vote to accept the provisions of Title I, Public Law 89-10 (Elementary and Secondary Education Act of 1965), and to appropriate such funds as may be made available to the District under said Federal Act and any amendments thereto for such particular projects as may be determined by the school board with the further power and authority vested with said school board to cooperate with other school districts and/or supervisory unions. Further, to see if the District will authorize the school board to make applications for such funds and to expend the same for such projects as it may designate.

Note: P.L. 89-10, Title I, provides money for educationally deprived children with total grants based on a formula involving

the amount of federal dollars available and the number of pupils appropriately identified. Approximately \$1,000.00 appears to be available to the school district. Permission has to be voted through this article before the money may be obtained and spent.

Article 5. To see if the District will vote to raise and appropriate the sum of \$1,722 to install a fire alarm system as provided by Granite State Alarm, Inc., said system to have State Fire Underwriters approval and to include automatic heat detectors, pull stations, evacuation alarms, building temperature devices and the connection of all warning devices to Southwestern New Hampshire Fire Mutual Aid for twenty-four hour protection. Further, to see if the District will raise and appropriate the sum of \$444.00 for the first annual operating cost of the system.

Article 6. To see if the District will vote to authorize the school board to make application for, and to accept and use in the name of the District such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof.

Article 7. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the district.

Article 8. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.

Article 9. To transact any other business which may legally come before this meeting.

Given under our hands at said Harrisville this 7th day of February, 1972.

HARRISVILLE SCHOOL DISTRICT MEETING

The Harrisville School District meeting opened March 9, 1971. Mr. William House, moderator read the warrant and declared the polls to be opened for voting.

Art. 1. Voting for School District Officers by Australian ballot.

Art. 2. Motion was made and seconded to accept the reports of agents, auditors, and officers as printed in the Annual Report.

Art. 3. Motion was made and seconded that the district raise and appropriate the sum of \$800 to paint the exterior of the old school and that the school board be authorized to take the necessary action to effectuate the purpose of this motion. An Amendment was made that the original committee be retained to direct the painting of the school.

Art. 4. To authorize the School Board to enter into tuition contracts for the school year 1971-72 with the Union School District of Keene at a rate not to exceed \$951 per pupil for junior high instruction or with other approved junior high schools at a rate not exceeding that stated herein was accepted.

Art. 5. It was voted that the District raise and appropriate the sum of \$2,200 to provide the services of a "resource teacher" and suitable instructional materials and authorize the School Board to take necessary action to effectuate the purposes of this article.

Art. 6. Motion was made and accepted that the District will authorize the school board to make application for, and to accept and use in the name of the District such advances, grants-in-aid or other funds for educational purposes and may now or hereafter be forthcoming from the United States Government, the State of New Hampshire, or any department or agency thereof, or any federal, state, or private agency.

Art. 7. It was voted that the District raise and appropriate the sum of \$118,520.00 for the support of schools, for the salaries of school district officers and agents, and for the payment of statutory obligations of the District.

Art. 8. Motion was made and seconded to choose agents, auditors and committees in relation to any subject embraced in this warrant be passed over.

Art. 9. Mr. Day, Superintendent of Schools, introduced members of his staff also Mr. Gannon, Special Education Consultant.

Meeting was recessed at 7:00 until closing of polls.

Polls were closed at 8:30 p.m. ballots counted.

Results of Voting:

Total Ballots cast	152
William House, Moderator	144 votes
Patricia Phillips, Clerk	143 votes
Mary T. Thayer, Treasurer	144
Philip Trudelle, School Board Member	58

Other Votes cast:

Marjorie Colony, School Board Member	1 vote
John Colony	1
Barbara Lake	3
Edson Sundstom	1
William House	1

REPORT OF THE PRINCIPAL

The Wells Memorial School opened in September 1971 with 55 students and the same staff as last year. We were fortunate to have two cadet teachers from Keene State College for the first quarter of the year. This helped to accomplish much individual instruction. We will also have a cadet teacher for the last quarter of the year. The School Board authorized the hiring of a remedial teacher for math and reading. Mrs. Pauline Goodnow is currently filling this position. In addition, Mrs. Goodnow has done much volunteer work in Arts and Crafts. The staff is currently reviewing several Science and Health programs with an idea to implement one or both during the next school year. This is in keeping with our effort to keep all programs as current as possible, and to offer the same materials and instruction as the other schools within the Supervisory Union.

The innovation of the Instrumental Music lessons this year as part of the school curriculum has been most successful. There are 18 students currently enrolled in the program.

The school volunteer program is continuing this year and the services of Mrs. Lenora Merrifield in the teaching of Art and those of Mrs. Alton Chamberlain and Mrs. John St. Peter in the library are sincerely appreciated.

The school has attempted once again this year to become involved in after school student activities and has helped recruit leaders and provide a meeting place for Cub Scouts and Indian Guides.

I feel the the School Year 1971-72 has had a good beginning and that all indications point to continued success. We, the staff, appreciate the cooperation of the parents, School Board and the staff at the Superintendent's Office. We welcome the visits of parents to the school.

Kenneth R. Swift

ADMINISTRATIVE REPORT

Progress

We are reporting briefly some of the major events during the five years our six districts have been together as a supervisory union. It is the continuing goal of the State to bring together districts in a geographic area which have similar economic, social, and educational interests. The union was enlarged following a decision by the State Board of Education that Chesterfield, Harrisville, Keene, Marlborough, and Westmoreland would work together as an administrative unit. It has worked effectively for boys and girls from July, 1967.

There has been much progress in improving educational programs in the elementary grades. We endeavor to maintain similar programs in all schools, first to provide for the needs of the boys and girls, second to prepare them for the secondary programs they will enter. New books and educational materials have been purchased in nearly all subjects and much progress has been made in using audiovisual devices. Our libraries have grown in numbers of books and our pupils have responded by greatly increasing the quantity and variety of their reading. Teachers and principals of all districts are striving to constantly improve curricula offerings and administrative procedures.

Though some progress has been made, our weakness is recognized in the limited provision of the so-called special areas of art, music, physical education, guidance, and education of the handicapped. The largest district, Keene, has been increasing these services, but it too falls short of a desirable level. It is a common shortcoming of the schools of New Hampshire, and may have to await a more ample provision of state funds.

We think that great progress has been made in the secondary schools of Marlborough and Keene. Marlborough High School has become a good little high school, and Keene High School maintains a high level of quality. Courses in both have been updated, new materials purchased, and new methods adopted. We are making steady strides towards providing more vocational educational opportunities. Though Keene High and Keene Junior High are crowded with pupils, annually some worthwhile changes are made.

Maintenance

Most of our buildings are in fine condition when age and original building limitations are considered. Improved custodial care and steady progress in lighting, heating, roofing and grounds upkeep have been accomplished. We firmly believe that our properties should be kept at a high level of efficiency, cleanliness and appearance. There is more to be done, but we have reached the point where the level of expenditure will not have to be increased, except to keep up with inflation. Now, we are proposing special articles in the "town" budgets to provide alarm systems to make more certain that fire losses of large size will be avoided.

A.R.E.A. Plans

Since 1966 five of our districts have operated successfully within the Keene Authorized Regional Enrollment Plan. This plan insures that all of the districts are guaranteed by Keene of a place for high school education, and Keene can plan on the entire enrollment of the sending districts. Although the tuition costs have advanced considerably in the six-year period, they compare on the low side with New Hampshire and Vermont high schools which offer equal programs. This has made possible

a good working relationship with opportunity for the sending districts to constructively criticize and the receiving district to strive constantly to improve its program. Legally, and in fact, Keene High School is the high school of the five districts.

During the District Meeting of March and April, 1970, seven districts voted a study committee to work together as a Planning Board. The charge is to determine the advantages and disadvantages of extending the A.R.E.A. plan or to develop a new plan for at least grades seven and eight. The pupils of grades seven and eight of Harrisville, Nelson, Marlow, and Stoddard have been attending Keene Junior High School for several years. The districts of Chesterfield, Marlborough, and Westmoreland were sufficiently interested to vote to share the study. Though several meetings have been held, progress has been slow, due in part to Keene's problem of building. The Keene District will probably bring the question of a new school for the intermediate grades to the District for decision again in March, 1972.

A tentative, new A.R.E.A. plan is being written. It may not involve all of the districts as this is local prerogative. If a plan is acceptable to some of the districts and the State Board, it can begin existence in September, 1974. We have another year for work and decision. Such an arrangement can provide stability and better education for all the districts while securing for them state funds and incentive aid.

FINANCES

"What happens when an irresistible force meets an immovable object?" This old riddle comes close to illustrating the predicament in New Hampshire. For years and years the districts of our little state have voted their tax money for schools, bearing almost the complete burden. Your school leadership has been frustrated and discouraged because decisions must be made on the basis of "what will they cost" rather than "what is their value for children." State support seems to have hit bottom. Whereas the state funding in the United States averages 47% of public school costs, New Hampshire sharing was actually cut in half, down to 4%. This is in face of the usual annual inflation rate of six percent. Real estate is not equal in the districts and is not rapidly expandable to meet increasing costs. There seems to be agreement that education needs to keep up with the times, but the source of funds remains practically static.

As our Business Manager writes: "Our budgets proposed for 1972-1973 are largely 'maintenance' budgets, supporting those services and educational conditions which presently exist." Even so, costs advance due to conditions beyond local control: gas tax, oil costs, electricity, telephone rates, rentals, retirement changes, and all supplies and books. We simply cannot hold the line without cutting services. It is natural to expect personnel to seek com-

pensation increases to at least equal the increased costs of living. We do sincerely hope that more can be provided from State funds to insure greater equity and additional dollars.

CAREER EDUCATION

You will be hearing more about a proposal called C.O.E.D. It means: Complete Occupational Education Development. It will involve all of our districts and will be supported for at least three years with federal money.

Perhaps a good way to end this report is to look into the future with the new U.S. Commission of Education, Sidney P. Marland, as he envisions the following:

"The term 'career education' means to me basically a point of view, a concept — a concept that says three things. First, that career education will be part of the curriculum for all students, not just some. Second, that it will continue throughout a youngster's stay in school, from the first grade through senior high and beyond, if he so elects. And third, that every student leaving school possesses the skills necessary to give him a start in making a livelihood for himself and his family, even if he leaves before completing high school."

In conclusion, we do hope that the financial problems of the moment will not cloud our vision of what good education has meant and must mean to the future of our boys and girls and the very future of our beloved nation.
